

Learn, Lead, Change Lives

Venue: Intersect, 167 Flinders Street
Adelaide SA 5000

Date: Friday 14 November 2025

Time: 9.00am - 4.30pm

Following the over-whelming success of our leadership workshop in March to support Variety the Children's Charity, we will be running another workshop in Adelaide on 14 November 2025. Join me at this event which brings together the core ideas and tools from across all our programs. This unique event has been designed to take the most practical insights we've developed and incorporate them into a powerful one-day experience.

And the best part? All proceeds will go to Variety - the Children's Charity, supporting South Australian kids who are sick, disadvantaged, or living with a disability. Use the QR code or donation link at the bottom of the page to donate.

What will you gain?

- A deeper understanding of leadership in a complex world.
- Proven tools and strategies you can apply immediately.
- A shared leadership language to strengthen your organisation.
- The opportunity to directly impact the lives of kids who need our support.

Who is it for?

Designed to equip those who attend with what works in complexity while supporting a cause that transforms lives. This special one-off workshop is perfect for:

- Leaders and managers who want to build their capacity to navigate complexity.
- Emerging leaders eager to step up and make a real impact.
- Teams and direct reports of leadership program alumni who want to deepen and spread the shared leadership language across their organisation.
